

## OUR MINISTRY

To promote world evangelism through training of laborers and to assist local churches in reaching their communities for Christ.

- We travel thousands of miles each year to the inner cities of America to witness with teams we have trained.
- We work with churches all over America to help train their congregations in outreach ministry to their community.
- Our *Street University* on the Internet teaches and equips witnesses all over the world and provides on-line materials to assist churches in evangelizing their communities.
- Our ministry has been effective in training individuals and churches in personal evangelism. Our ministry has an outreach of 31 nations and 48 states in America.
- We give away thousands of dollars in Bibles, WWJD bracelets, toys, stickers, and evangelism materials each year.

Luke 14:23 “*And the Lord said unto the servant, Go out into the highways and hedges, and compel them to come in, that my house may be filled.*”

We are excited about the opportunity to help fulfill the great commission and participate with churches to reach their communities.

## OUR NEEDS

We are looking for individuals, companies, and churches to sponsor our ministry of evangelism. We are a non-profit, 501(c)(3) tax exempt organization and funded by those who share in our desire to save the lost.

- World Mission Travel
- Inner-city Mission Travel
- Publishing and Witnessing Materials

All contributions are directed to the expenses of our ministry. We take no salaries or reimbursement for ourselves. All materials that we purchase or prepare are given away. Each year we give away thousands of Jesus stickers, Bibles, WWJD bracelets, and training materials. It is our desire to be a blessing to those we minister to. One of our greatest expenses is travel. Our ministry takes us to many different cities each month. We must have the ability to go and minister in the cities and nations of the world.

Remember, when you sponsor our ministry, you are sponsoring our travels to the inner cities of America. You will be helping us to provide our teachings on the Internet through our world wide web site, and helping us to assist churches all over the world by training others in evangelism.

Our ministry is difficult and we need your prayers and financial support. We are not in this ministry because it is easy or rewarding, but we are called to win the lost at any cost!

“Preparing laborers for the harvest of  
souls around the world.”  
Matthew 9:37-38

**W**e have seen our ministry begin from witnessing on a street corner in our hometown to the inner cities of many of the worst areas in America. We have witnessed in prisons, bars, night clubs, airports, buses, on sidewalks, door-to-door, to the homeless, and at night in gang areas. The Lord has given us these experiences to share with others. We have developed them into an evangelism training called the *Street University*.

We have written books on evangelism ministry and have made these materials free to all by placing them on the Internet. Thousands of individuals and churches have used our teachings to lead people to Christ. Our ministry works with the local church to train and equip laborers in the harvest and to motivate congregations to participate in all areas of evangelism.

Our ministry is dedicated to bring hope to the hopeless and the forgotten and salvation to those who are without Christ.
